

Mid-Hudson NY Regional Recovery Forum

OASAS invites you to attend the Mid-Hudson Recovery Forum

Description

■ This free Forum will explore the development of a Recovery-Oriented System of Care (ROSC) in New York State and the ways in which OASAS can collaborate effectively with the field to integrate recovery principles and practices within our prevention and treatment systems.

■ OASAS will update you on 2010 Recovery Month activities and discuss ways in which you can get involved:

- Recovery Coaching
- The Importance of Alumni Groups
- Plans for Recovery Month 2010
- 7th Annual Recovery Arts Festival
- Faith-based Recovery Activities

■ Learn more about the *Your Story Matters* campaign at www.iamrecovery.com and how sharing stories of recovery can offer hope to those still suffering from the chronic disease of addiction. You will hear firsthand the inspirational story of recovery of one of our 12 campaign “spotlights,” and learn how the *Your Story Matters* campaign can benefit you and improve the lives of the individuals we serve.

■ **This Forum is approved for CASAC, CPP and/or CPS initial credentialing and/or renewal clock hours.**
