Arms Acres & Conifer Park

Detoxification Services

*Individualized Treatment
to Promote Health
& Recovery*

Overview

Arms Acres and Conifer Park are leaders in providing medically supervised detoxification and crisis counseling services to patients throughout the Northeast.

A multidisciplinary team comprised of physicians, psychiatrists, nurses, social workers and counselors expertly motivate patients to embrace recovery as they work to regain a healthy, meaningful lifestyle.

The detoxification programs at Arms Acres and Conifer Park are designed for patients experiencing withdrawal symptoms, including physical or psychiatric complications, associated with chemical dependence.

At the conclusion of treatment, personalized aftercare planning equips patients with the tools necessary to maintain and extend progress. Patients may be transferred to one of our inpatient programs or may be discharged for transitional care on an outpatient basis.

Accreditation

Detoxification programs offered by Arms Acres and Conifer Park are accredited by the Joint Commission of Accreditation of Health Care Organizations (JCAHO) and licensed by the New York State Office of Alcoholism and Substance Abuse Services (OASAS).
